

## **.bond Domains are Now Available to Trademark Holders**

.bond is a new domain extension that enters Sunrise on Thursday, October 17<sup>th</sup> 2019, and then goes into General Availability on November 19<sup>th</sup> 2019!

### **Why buy a .bond domain ?**

.bond is the perfect domain extension if you are in the financial industry. .bond has no registration restrictions or premium names, which means that your brand name and any other names.bond that you are interested in will be available at standard pricing.

Trademark holders need to register their brands during the Sunrise Period as this is when .bond is only open to registrations from registrants that have their brand registered with the Trademark Clearinghouse.

### **How to get a .bond Domain**

Visit your preferred registrar or [www.nic.bond](http://www.nic.bond) today to search for your .bond domain or to find a registrar that is participating in .bond's Sunrise Period exclusively for trademark holders.
